Sept. 2009

Look inside for upcoming traffic changes.

I-84, Cole to Broadway Widening

2009  2011

The Idaho Transportation Department is widening Interstate 84 in Boise.

- Two eastbound and two westbound lanes will be added between the Cole and Broadway interchanges.
- The existing rough pavement will be replaced with new concrete.
- When complete, the project will relieve congestion and improve safety on this important corridor.

Safety is ITD's First Priority

This project will involve several traffic shifts and other adjustments to your normal commute. Plan ahead, know your route and expect delays.

Construction Overview

2009

FALL

Build temporary pavement near the I-84 shoulders.

WINTER

Shift traffic to temporary pavement near the I-84 shoulders.

Begin constructing new lanes in the I-84 median.

2010

SPRING/SUMMER

Pave new lanes in median area.

SUMMER

Move westbound traffic to the eastbound side of I-84. Move on- and off-ramp traffic to temporary dedicated lanes.

2010

FALL

Reconstruct and pave existing westbound lanes.

WINTER

Move eastbound traffic to the westbound side of I-84. Move on- and off-ramp traffic to temporary dedicated lanes.

2011

SPRING

Reconstruct and pave existing eastbound lanes.

SUMMER

Project complete.

Many activities are weather dependent and may change. The most current construction schedule is available at www.itd.idaho.gov under Projects, Southwest Idaho and I-84, Cole to Broadway.

TRAFFIC AT A GLANCE

- Two lanes will be open in both directions on I-84 during daytime hours (5 a.m. to 10 p.m. Monday – Friday, and 7 a.m. to 10 p.m. Saturday and Sunday).
- At least one lane will typically be open in both directions at night.
- Merging patterns will change. In 2010, motorists will use temporary dedicated lanes to access the Orchard, Vista and Broadway on- and off-ramps.
- On- and off-ramps will be tighter and narrower during construction.
- I-84 will be closed overnight on rare occasions.
- The I-84 speed limit will be 55 mph.

TUESDAY, OCT. 6, 2009

CONSTRUCTION OPEN HOUSE

Representatives from ITD and the project contractor will be available to answer questions about the I-84, Cole to Broadway widening project and other construction in the area.

DROP IN ANYTIME FROM 4 TO 7 P.M.

BEST WESTERN INN 2645 AIRPORT WAY, BOISE

From I-84, exit at Vista Avenue (Exit 53) and travel south on Vista to Airport Way.

I-84 Boise Construction Update

The Idaho Transportation Department is making extensive improvements to I-84 in Boise. The corridor is a gateway to the airport, shopping destinations, Boise State University and major employers.

I-84, Broadway to Eisenman Rehabilitation 2007 – 2008

Rehabilitate 6.1 miles of pavement to create a smoother surface and extend the life of the roadway.

I-84, Cole to Broadway Soundwalls

Construct concrete soundwalls north of I-84 to reduce traffic noise for adjacent residents and businesses.

I-84, Orchard Interchange

Rebuild the interchange with a wider Orchard Street Bridge and longer ramps. Improve roadways near the interchange.

I-84, Vista Interchange

Rebuild the interchange with a new, more efficient design, a wider Vista Avenue Bridge and longer ramps.

The GARVEE Transportation Program has funded design and construction of these projects — with the exception of the Vista Interchange construction, which is funded by federal stimulus dollars.

I-84, Cole to Broadway Widening

Add two eastbound and two westbound lanes to reduce congestion between the Cole and Broadway interchanges.
